

Dear Sir or Madam,

Beirut International Model United Nations is thrilled to announce its return for this year's edition: BEYMUN 2019. It is our great pleasure and honor to invite your institution and students to join us in what will be an unforgettable cultural and educational experience.

BEYMUN is a student-run annual MUN conference held at the American University of Beirut. Our mission is to introduce college students from all around the world to the dynamics of the inner workings of the United Nations. For four years now, BEYMUN has been simulating various committees and addressing prevalent topics. The conference has aimed to foster a generation of world-class leaders and engage students in high-level debates to come up with practical solutions to modern-day issues.

In these times where global injustice and unrest are prevailing, students crave a platform to efficiently debate problems at hand, and have their input reach out to the community. At the crossroads between the oriental and occidental societies is Beirut: Lebanon's capital, and most cosmopolitan city of the region, offers the perfect stage to observe and study the situation of the most afflicted region in the world. This renders BEYMUN the ideal conference to attend. BEYMUN 2019 will revolve around the theme "Take Action, Initiate Change". This theme is meant to engage upcoming generations to uptake leadership through concrete actions and hold a leading role in addressing the problems that our world is currently facing.

In addition to a rewarding conference experience, Lebanon, the cradle of civilizations, will offer the participating delegates the ideal environment to get in touch with the country's fascinating traditions and culture, and connect with delegates from all around the world through BEYMUN's unique cultural hub.

BEYMUN 2019 is scheduled to take place from the **5th to the 7th of April 2019**.
Registration for the conference will be open until **March 1st, 2019**.

For additional information about the conference and the application process, you can visit our website www.beymun.com. Should any question or inquiry arise, feel free to contact us by email on info.beymun@gmail.com.

*Your participation would be an invaluable addition to our conference.

Yara-Maria Khalifeh
