

## 9<sup>th</sup> Swiss Summer School in Democracy Studies

# Democracy and Peace

11-15 September 2023

University of Zurich

### CALL FOR APPLICATIONS

In light of the war in Ukraine, during the 9<sup>th</sup> Swiss Summer School in Democracy Studies (S3DS), participants are exposed to theories and approaches on the relation between democracy and peace: **democratic peace theories, promotion and defence of democracy, and building democracy in post-conflict societies**. The focus will be on Ukraine, but not exclusively.

### Keynote Lecture

Monday 11 September 2023, h.17.00

*Democracy and Peace in Europe: What Went Wrong?*

Jeffrey Checkel, European University Institute, Italy
