1st Data4Good

FESTIVAL

2024

HERTIE SCHOOL, BERLIN

April 19-21

WHAT IS THIS ABOUT?

The Data4Good Festival is centered on data challenges for the common good. We give you a weekend of fun hacking, learning, and networking with great moments in Berlin.

WHAT'S IN IT FOR ME?

If you fancy an opportunity to enjoy free food, exciting workshops, solve a data challenge to win prizes, and meet others from peer institutions, don't hesitate to apply!

WHO CAN PARTICIPATE?

We welcome Bachelor students and recent graduates in universities across Europe (including the UK). You do not need to be a strong coder to enjoy the event!

WHERE AND WHEN?

From April 19-21, 2024 at the Hertie School in Berlin

IS THERE FINANCIAL SUPPORT?

Travel within Europe and accommodation are reimbursed up to 150/250 EUR.

WANT TO BE PART OF IT?

Then don't wait to apply – individually or grab some friends and sign up as a team until February 1, 2024 at
